A Charming Season of Al Fresco Entertainments.

Wagonette and Brake Parties—Picnics and Lawn Fetes—Great Times at the Lake—Announcements.

Out-door diversions are in full force. The wagonette or brake, with its complement of light hearts, merry tongues and tuneful voices stirs the sympathies of all, as the beautiful steeds go prancing through the city in the gleaming dust as the cooling breeze sweeps down from the canyon.

Thus, with the small and select cliques that go to the lake to enjoy the enticing breeze that sweeps softly through the pavilions, and to feast the eyes upon the blue sparkling water, or to dance to the lacy waltz music, or dip in the foaming waves, is the sum of our enjoyment. The lawn parties make the pleasing variety, which prevents monotony.

The 4th of July many parties were formed for little trips to the canyons, and through thousands of people themselves in the exhilarating waters at Garfield Beach and Saltair, these others took a fancy for a "tobogganing," as snow, with a "nipping" and an eager air, is more of an attraction on the hottest day, July 4th, of the year, than a bath in the open.

A merry circle to the number of twenty started for Big Cottonwood bright and early, 4 o'clock in the morning, and arriving at a cool, shady place about 6 o'clock took breakfast. Hospitable people living there gave them the use of tents, tables and dancing hall, so that their "roughing it" was made as agreeable as possible.

Wandering at their own will between meads the gay crowd picked white violets under the snow, lolled or climbed the mountain, flying down with the speed of birds over the snow, and generally enjoying the day right heartily.

The participants were Mr. and Mrs. L. Archer, Mr. and Mrs. De Golyer, Dr. Mrs. and Miss Douglas, Mrs. W. A. and Miss Bishop, Mr. and Mrs. J. C. Hooper, Mrs. Barker, Cooper, the Misses Nellie Burrows and Cune, Messrs. Charles M. Hawley and Ed. Hoch.

The coach which started out on Wednesday drawn by six white horses was filled with a throng of society folks bent on pleasure, and if a good start means anything they had it. From 7 to 8 o'clock the choicest roads were driven over, when the horses turned their heads cityward, pulling up at the elegant home of Mr. and Mrs. Harry T. Duke for refreshments. The party was the largest of the week and one of the most enjoyable. It was given by Miss Mary Alf and Mr. Will Hampton in honor of Miss Nellie Burrows. The invited guests were Misses Margaret and Sara Zane, Misses Hooper and Allie Hooper, Lucine Hoge, Ruth Palmer, Coffin Bailey, Blanche Kimball, Kate Lawrence and Mary Burke, Lieutenants Woodward, Palmer, Sorley, Gregg and Hempton, Messrs. Roy McKee, S. P. Fields Huntz, Reed, Bidwell, George and Will Lawrence, Henry and Clarence McCordick, Holland, Max Smith, Frank Burke, Ives Cobb, Varian, Nye and Post.

Mr. Sydney Hooper and his sisters, the Misses Hooper, inaugurated the week of pleasure with a drive in their wagonette which was the occasion of unalloyed pleasure to those complimented with invitations. Miss Bessie Southworth was the guest of honor.

After a two hours' spin the party returned to the handsome home of the Misses Hooper's sister, Mrs. J. E. Caine, where they all played cards and were regaled by tempting beverages.

The invited guests, beside the guest of honor, were the Misses Alf, Lucine Hoge, Ruth Palmer, Coffin, Genie and Mary Burke, Lieutenants Palmer, Gregg, Sorley and Hempton, Messrs. S. P. Fields, Harry and Clarence McCordick, Ives Cobb, Hal and Kenneth Kerr, Max Smith and Bert Varian.

There was a pretty, successful lawn fete and strawberry festival given at the residence and grounds of Mr. and Mrs. Hopkins by the ladies of the Methodist church on Friday evening last. The grounds were splendidly lighted in a novel but very effective way. Good-sized tubs were used, filled with kerosene and then lighted; this threw a fine glow upon all the fair surroundings. It burned bright and strong. Added to this illumination were numerous Japanese lanterns. Attractive young ladies saw that those who presided themselves were quickly refreshed by cooling beverages.

Within the house, tableaux and music, by the little orchestra, gave entertainment to those thus included.

There was an excellent audience gathered at the home of Mrs. Yordy on Thursday evening to enjoy "An Evening of Poetry, Prose and Song," given for the benefit of St. John's chapel, by Mrs. Fred W. Norris. Very artistic programmes were etched by Miss Carrie, the talented daughter of the hostess. The following selections were given to the appreciative hearers:

Luty Deloit's Visit.....Dallas

Tuesday evening Miss Frankie Sharp gave some twelve of her friends a game of croquet in their beautiful grounds. Three sets were used, the playing, which was spirited, began at 7 o'clock and ended at 8:30. Refreshments were served at 9:30 o'clock on the lawn. Those asked to join in the sport were the Misses May Jennings, Jean Grob, Katie Williams, Lena Preston and Aggie and Celia Sharp. Messrs. There was good music and plenty of it, as well as bright conversation, which was followed by delicious refreshments. Those present were Mr. and Mrs. V. M. C. Silva, Professor and Mrs. Krouse, Mrs. Woodrow, Mr. and Mrs. Arthur Brown and their visitors from Park City, Mrs. McLaughlin and Mrs. Eoyt, of Michigan; Messrs. Kent and Bert Havens.

Friday Mrs. McElroy and her son, Mr. William P. McElroy, gave the evening to the entertainment of Mr. and Mrs. Charles McElroy of Carthage, Missouri, relatives of the host and hostess. Mr. and Mrs. W. H. Phelps were guests and Mr. and Mrs. Pollock, the Messrs. Rob. Officer and Charles Fueller were also of the party. Some charming music was given by Messdames Phelps and Pollock. Refreshments were served later.

Thursday Miss Lucine entertained in charming style the same parties that went on the drive with Miss Alf and Mr. Hampton.

This, too, was to compliment Miss Southworth, who has already become a great favorite; she is a bright little lady, quick at repartee, and engaging in manner. The gay crowd devoted one evening to their friends at the fort.

Mr. and Mrs. Richard A. Keyes gave a very elegant dining Thursday evening in compliment to Mr. and Mrs. Milton Royle. The table was beautified with pink roses and fragrant white carnations. The dinner ended, music and conversation gave a charm to the evening hours.

THE GHOST WALKED.

The City Employees Were All Paid Off Yesterday.

Something About the Municipal Finances—Difficulty in Disposing of Garbage—Operations of the Departments.

The city employees on the weekly pay roll were in considerable trepidation yesterday morning as to whether or not the ghost would walk, but their fears were put to flight when the usual hour for receiving their stipend arrived and the cashier was on deck with necessary funds to meet the obligations.

The contractors and others for whom the city council make appropriations Friday night, were not so fortunate. They were on hand to receive their warrants, but the cash in the treasury was too slim to admit of the warrants being met, and those presented were only registered and endorsed so that they will bear interest to such time as the city treasury is sufficiently replenished to admit of their being cashed. The city clerk, Duke said, the \$25,000 copper plant bonus had not yet been covered into the treasury, and that there was a cash withdrawal which had been made by the city and county building was met from the mayor's fund. The amounts paid out were:

Joint city and county building.....\$2,344 00
Sewers.....200 10
Cemetery.....412 00
Prisons.....74 00
Total.....\$2,987 10

THE HEALTH DEPARTMENT.

Difficulty Experienced in Disposing of the City's Garbage.

Mr. Showell says the warm weather is causing the necessity for the disposal of an extra amount of garbage and the crematory, although working night and day, is wholly inadequate to consume even half of the material which should be disposed of in that way. As things are, the most offensive part of the garbage is cremated and the other is disposed of in the best possible, but exact method, by which it is got rid of. Mr. Showell declined to state with the remark that it would not bear too close inquiry, but the sooner another cremator is put in the better it will be.

Last year when there was no cremator it cost the city for transportation of offal \$40 per car load or a total of about \$11,000, and this year, at the present rate, the stuff is being fired into the cremator to have disposed of it in the old way would have cost the city \$30,000. So the cremator at a cost of about \$14,000 has been one of the few paying investments made by the present city council.

Health Commissioner Beatty's report for the week is as follows:

Number of loads of garbage and refuse disposed of.....799
Number of dead animals disposed of (3 cows, 4 horses, 11 dogs, 5 cats, 3 pigs).....28
Number of complaints received.....35
Number of cases of contagious diseases reported (diphtheria, 1; scarlet fever 1).....10
Number of deaths from contagious diseases reported (diphtheria 1, scarlet fever 1).....10
Burial permits issued.....12
Shipping permits issued.....0
Births reported (males 23, females 22, not given 1).....45

The Waterworks Department.

The waterworks department did a good deal of work, principally repairing pipes and hydrants. Trenching and back filling was also done and the number of men employed was the same as last week. This department has changed from paying weekly to bi-monthly and did not pay yesterday but will of course do so next Saturday for the two weeks.

Mr. Ryan's report for the week shows 1,688 feet of trenching done, 1,388 of back filling, 1,369 feet of 6-inch and 200 feet of 4-inch pipe laid, 35 loads of gravel hauled, 3 services completed, 24 hydrants and 3 mains repaired and flushed, 41 troughs cleaned, 75 houses inspected, 73 calls and complaints attended to.

Thirteen men were employed on flames and tank house in city creek canyon cleaning springs, and three brick boxes built.

One hundred and six men and four teams were employed at a cost of \$1,315.30.

THE PROVISION INSPECTOR'S WORK.

Inspector Kendall had a busy week and gave special attention to meat, fruit and fish markets, the warm weather occasioning a great deal of care in handling these materials. His report for the week is as follows:

Inspections of butcher shops, 65; fish markets, 43; groceries, 38; commission houses, 41; bakeries, 10; restaurants, 30; hotels, 2; dairies, 2; fruit stands, 10. Total number of inspections made, 435.

Explosion of Prices

HAS CAUSED A PANIC IN THE DRY GOODS TRADE IN SALT LAKE CITY.

IT HAS aroused the Territory of Utah, and is now reverberating throughout the adjacent states. It is destined to go sounding down the aisles of time as the most appalling reduction of prices that ever occurred in this or any other community. The crowds of eager buyers that take possession of our great store from day to day, can only be likened to a grand mass meeting of the people, all bent on securing some of the great bargains we are offering.

This Week WILL BE A MEMORABLE ONE.
IT WILL BE A CONTINUATION OF OUR

GREAT SLAUGHTER SALE

At Greater Reductions than ever. We must make room for our Fall Purchases, which in spite of the cry of the croakers about dull trade will be larger than ever. We have no cause to complain, trade is never dull with us. WHY? BECAUSE we give the working man a chance. When times are quiet we divide our profits with the people, and when work is scarce and money is scarcer still, we cast profits to the winds and sell for cost; BECAUSE we buy for spot cash and get heavy discounts. BECAUSE we don't owe anybody and can afford to dispose of our goods as we please, THAT'S WHY. IF YOU DOUBT OUR VALUES come in and see for yourselves. The bargains we quote during this sale have NEVER BEEN EQUALLED, NEVER WILL BE EQUALLED AND CAN NEVER BE REPEATED.

Important Notice. SEE THE WILD CATS REMEMBER

Remember that in addition to the low price \$8, we present every customer with elegant silverware, amounting to 10 per cent of your purchase. Be sure you get a coupon at the desk when buying your goods as every customer must get their coupons then.
